

June 3

Opening Up:

- In your family of origin what did you learn (good or bad) about how to handle money?
- If could teach your 18 year old self about money, what would you teach?
- When have you been the recipient of radical generosity? How did it impact you?

Reference: 1 Timothy 6:6-10

Discuss:

1. What from the talk this week impacted you?
2. In verse 6 we read that godliness with contentment is great gain.
 1. Why is it hard to be content? What are the forces in your life that make contentment a struggle?
 2. What has Jesus taught you about contentment?
 3. In ways does a lack of contentment affect your quality of life (i.e. thankfulness, gratitude, and generosity)?
3. Can you think of a time that you really wanted something, bought it, and then became utterly disappointed in the thing you bought? What does that teach you about what Jesus says in Matthew 6:19-21?
4. The temptation to be discontent existed even for Adam and Eve in paradise (Genesis 3). What could we do differently with our eyes (Matthew 6:22-23) that might help us to be more content?
5. Tell the group something you're grateful for and how it helps you to worship God and experience contentment.
6. How could you be more generous in your life...
 1. with your time?
 2. with your talents?
 3. with your money?
7. What difference could be made if your Community Group became increasingly generous to each other, the neighborhood, and the city?
8. Pray.
